

EDUCATION AND EMPLOYMENT

Had a plan for their long-term education and employment that is helpful

Had been told about ways to pay for college like financial aid packages and loans

Had a valid ID (license, state ID, school ID)

HOPE

95% of youths strongly agreed or agreed:

“*I am going to have a good life when I'm older.*”

“*My life has purpose and I have meaningful goals I want to accomplish.*”

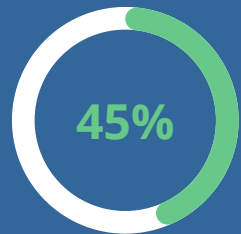

EXPERIENCING SUCCESS

Earned a certificate or an award

Did volunteer work that made them feel good

Participated in a political or organized community activity that was important to them
